Re: Application for Design Registration

The design, as detailed in your, TSSA SR# 1956914, for a Fitting is accepted for registration as follows:

Registered To: DELAFIELD CORPORATION **CRN:** 0D17010.251

MAWP: 2492 psig

Drawing #: D21900

Drawing Revision: C

Conditions Of Registration:

Registration of Corrugated Metal Hose Assemblies size 1/2" through 4".

This design was registered based on a technical review performed by the province of initial registration in accordance with the Association of Chief Inspectors policy on reciprocal recognition of design review.

Reviewer's Notes:

As required by CSA B51 4.2.1, this registration expires on July 21, 2026. This CRN is valid until the expiry date as long as the Manufacturer maintains a valid quality control program verified by an acceptable third-party agency until that date. Should the certification of the quality control program lapse before the expiry date, this registration shall become void.

Contact me if you have any questions. The invoice for registration will be forwarded under separate cover.
